

## **EZ Pass Terms and Conditions:**

This EZ Pass Program ("Program") is available from March 31, 2014 through January 31, 2015, subject to extension or early termination at BlackBerry's sole discretion ("Program Period"). In order to participate in the Program your company or other organization for whose benefit you are authorized to act ("You") must have an active, on premise, BlackBerry Enterprise Server ("BES") and agree with BlackBerry Limited or the subsidiary or affiliate thereof that entered into the BlackBerry Solution License Agreement ("BBSLA") with You ("BlackBerry") to the terms and conditions contained or referenced herein.

Subject to the terms and conditions below, during the Program Period, You may make a one-time request for a quantity of Silver Perpetual CAL's v12.0 ("Program CALs") up to the number of: (i) Your existing licensed BES CALs; and (ii) Your eligible active mobile device management (MDM) licenses from other MDM providers (as included in the 2013 and 2014 Gartner Magic Quadrant for MDM Software report). You must provide a valid screen shot showing the number of such BES CALs and MDM licenses. Orders are subject to BlackBerry's validation of these requirements and orders will be fulfilled when Program CALs are made available. There is no requirement that You cease using Your existing BES CALs or MDM licenses.

If You are not actively subscribed to BlackBerry Technical Support Services ("BTSS"), You may request Advantage level BTSS for Your active Program CALs and Your BES (both must be v10.2 or higher), and such support will be complementary until January 31, 2015. This gives You 24x7 access to mobility experts for 5 named callers and BES software upgrades and updates during the complimentary support period. At the end of the complimentary support period, You will be charged the applicable Annual Advantage BTSS program fee and per device fees based on the number of Your active CALs. Prices and currency will vary by country and taxes are extra. If You do not wish to continue receiving BTSS following the conclusion of the complimentary support period, You must cancel Your order in writing within thirty (30) days prior to January 31, 2015 and support will cease on January 31, 2015. Orders not canceled will be considered final. In order to register for the complimentary Advantage BTSS, You will be required to accept the applicable support terms.

**You acknowledge and agree that: (i) Program CALs that are not activated on a BES v10.2 or higher and attached to applicable devices before July 1, 2015 will automatically terminate and Your right to use such Program CAL's will expire on July 1, 2015 and they will no longer function after such date; and (ii) subject to the foregoing, Your use of the Program CALs shall be subject to the terms and conditions of the BBSLA for Your jurisdiction and any applicable addenda. The current BBSLA and Business Services by BlackBerry terms for Your jurisdiction can be found at [www.blackberry.com/legal](http://www.blackberry.com/legal). In the event of any inconsistency between these Terms and Conditions and the BBSLA or Business Services by BlackBerry terms, these Terms and Conditions will govern.**

This offer is NOT applicable for BES Trial CALs or any hosted BES solutions.

This Program is void where prohibited and is subject to modification, extension or early termination at BlackBerry's sole discretion and is available only in certain countries.

**To continue with the order process for Program CALs, and if applicable, Advantage level BTSS, please confirm that You have read these Terms and Conditions and You agree to them by clicking "I Agree" below. If You do not wish to continue with the order process or You do not agree to the Terms and Conditions, click "I Disagree" below.**
