

## Battery Limited Warranty

The external battery provided to You and intended for use in conjunction with Your specific model of BlackBerry Handheld (the "Battery"), will be free from defects in workmanship and materials for a period that is the shorter of: (a) one (1) year from the date that the Battery was first purchased by You as an original end-user ("You") and (b) the period ending upon: (1) Your breach or termination of the BlackBerry End-User/Software License Agreement (the "License Agreement") entered into between You and Research In Motion Limited and/or its affiliated group of companies ("RIM"), (2) breach of: (i) this Limited Warranty, (ii) breach of any limited warranty provided with the BlackBerry Handheld or any BlackBerry accessories, or (iii) breach of the safety information provided with the Battery (the "Warranty Period"). This Limited Warranty is not transferable. During the Warranty Period, if the Battery is defective in workmanship and materials (subject to the limitations herein), the Battery will be replaced without charge to You for either parts or labor. If the Battery is replaced during the Warranty Period, the Warranty Period will expire, upon the later of the 91st day after replacement or one (1) year from the date of original purchase. Based on an agreement between RIM and the reseller or distributor through whom You purchased the Accessory and/or the BlackBerry Solution (the "RIM Solution Provider"), this Limited Warranty for the Warranty Period shall be honored by either RIM or the RIM Solution Provider. This Limited Warranty does not apply to normal wear and tear, normal degradation of the Battery, or if the Battery or any component thereof is opened or repaired by someone not authorized by RIM, and does not cover replacement of any Battery damaged by: misuse, moisture or liquids, proximity or exposure to heat, accident, abuse, neglect, misapplication, or defects due to repairs or modifications made by anyone other than RIM. This Limited Warranty does not cover physical damage to the surface of the Battery. This Limited Warranty does not apply to any equipment other than the Battery. This Limited Warranty also does not apply if the malfunction results from the use of the Battery in conjunction with accessories, products, services or ancillary or peripheral equipment not expressly approved or provided by RIM, and where it is determined by RIM that such malfunction is not the fault of the Battery itself. Additionally, if malfunction results from the failure of the user to abide by the Safety Information provided with the Battery or provided with any component of the BlackBerry Solution, which comprises the BlackBerry Handheld, any BlackBerry accessories, including SIM cards, the BlackBerry Desktop Software, and the associated wireless data service and documentation (the "BlackBerry Solution"), the Limited Warranty may be void, and if it is not void, it shall not apply.

Any repair or replacement pursuant to this limited warranty could be requested by You from the RIM Solution Provider.
